

Bangladesh Overseas Employment & Services Limited (BOESL)

(A State Owned Manpower Sending Company under Ministry of Expatriate's Welfare & Overseas Employment)

Estd.-1984

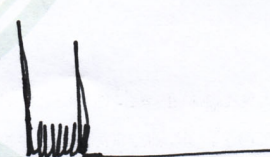

Ref: 49.02.0000.003.01.007.17

Date: 26/04/2018

TO WHOM IT MAY CONCERN

This is to certify that Bangladesh National Enterprise Architecture (BNEA) team of Leveraging ICT for Growth, Employment and Governance Project has successfully completed development, Testing, Deployment and Supply of BOESL Android App in the year 2017. Salient features of the app includes Real-time push notification for new job opportunities, View list of ongoing notices and job opportunities, Audio visual content on skill set, preparation for going abroad, awareness about fraudulent activities, Provision of Complain submission to authority, Provision of viewing special region/country (such as Korea) specific news and so on

The app is working smoothly. The app has been downloaded almost 4000 times from 22+ countries of the world in last 3 months. BNEA team is providing technical support as and when required. We wish success of BNEA team.

Maran Kumar Chakraborty 26.04.18
